Pre-wedding must-have services

LUXURIOUS LASHES

Dreaming of authentic and luxurious lashes? Try a set of our **Eyelash Extensions**. These lashes last, not only for your wedding, but for your honeymoon too! The application process is very relaxing - like receiving a spa service (you lie down on a plush table and have your eyes closed the entire time). Eyelash Extensions can last anywhere from 2-5 weeks, depending on your lash cycle. We recommend having a full set plus one fill prior to your wedding day.

FULL SET

\$225 - \$275

(Application is typically around 2 hours)

FILLS

\$60- 100

(Application can be anywhere from 60 to 90 minutes)

YOU GLOW GIRL!

Let us help you achieve that lit from within glow that you've been dreaming of for your wedding day. **Dermaplaning** is THE BEST makeup prep there is! It removes dead skin cells and peach fuzz, creates a smoother texture and softens fine lines, scars and sun damage. Pair it with our **Four Layer Facial** for maximum exfoliation and hydration!

SHINE BRIGHT!

Your smiling face should be one of the most important things on your wedding day so let us help you brighten that smile even more with our **Teeth Whitening** service! Achieve a brighter and whiter smile within one session instantly.
